ARCHITECTURE

New hire

Lucianna Scordo

Carrier Johnson + CULTURE, an award winning, international architecture, interiors, and strategic branding firm is pleased to welcome **Lucianna Scordo** to the team as an Interior Architecture Director and Associate Principal.

Having obtained a Bachelor of Science in Architecture from Northeastern University in addition to over 20 years experience in the field, Lucianna has expertise in her new role leading the Life Science and Corporate Interiors Division along with Ray Varela, Design Principal.

Awarded the 2020 IIDA New England Design Award in the Research Lab Category for Generation Bio Headquarters, the ISPE 2019 Facility of the Future Award for Moderna Therapeutics and the 2018 IIDA New England Design Award in the Research Lab Category for Blueprint Medicines, Lucianna's recognition matches the award winning firm's reputation. CJ+C values Lucianna's talent and is confident that she will thrive and be an asset to the design team.

Lucianna has successfully completed interiors projects with many Bio-Pharma companies in Boston, Massachusetts such as Moderna Therapeutics, Takeda, and Vertex, among others. Having recently relocated to San Diego, Lucianna's primary objective is to build lasting relationships with each of CJ+C's clients. The foundation of her design process starts with understanding a client's core values, culture, and vision for the future growth of their success. The relation-building phase of Lucianna's design process allows CJ+C to quickly hone in on the client's aesthetic preferences, workflow, and adjacency requirements, resulting in consistently deliver exceptional design solutions that are holistic, innovative, practical, and perfectly tailored to the client's unique needs.

RYAN

COMMERCIAL REAL ESTATE

New Hire

Patrick Dimaano
