ENGINEERING
Promotion

Sean Marcel

The global engineering firm **Syska Hennessy** has promoted **Sean Marcel, PE**, to principal. Mr. Marcel serves as the managing director of the firm's San Diego office, and he also oversees and provides technical direction for regional and national projects. Recent examples include the Federal Inspection Station at San Diego International Airport, Long Beach Civic Center, and the Maintenance & Operations Complex at Palomar Community College in San Marcos. Mr. Marcel, who holds a B.S. in electrical engineering from Binghamton University in New York, first joined Syska in 2006. He started in the New York City office as a member of the firm's critical facilities group, and he transferred to the San Diego office in 2015.
