COMMERCIAL REAL ESTATE
Announcement

Stacey Tyree

Re:Align Tenant Strategies has announced the addition of Stacey Tyree as Principal. Stacey has fifteen years of experience as a commercial real estate attorney and has spent her career focusing on acquisition, disposition and leasing transactions for corporate clients. Stacey began her career at Troutman Pepper LLP (previously Troutman Sanders) and most recently was a partner at the commercial real estate firm Crosbie Gliner Schiffman Southard & Swanson LLP (CGS3). Stacey notes, "When I decided to leave the practice of law and began investigating brokerage opportunities at commercial real estate firms, Re:Align really impressed me with their unique team-based approach. I've worked with a number of brokers over the years, but I've never experienced the high level of service and expertise that the Re:Align team provides to their clients. I knew that representing tenants at Re:Align would be a great fit for my skill set and the team's detailed and thoughtful approach is consistent with how I counseled my clients as an attorney."
