New Hire

Nick Linne

Prevost Construction is proud to announce that Nick Linne has joined the company as Senior Project Manager. Nick is an industry leader, bringing over 15 years in the construction industry to this role. He specializes in life science and advanced technology markets, with additional expertise in healthcare and higher education. Throughout his career, Nick has completed over 535,000 sq. ft. in life science and R&D projects, and over 416,000 sq. ft. in advanced technology projects. His portfolio includes complex and technical projects, often characterized by fast-track schedules and streamlined processes. Nick's extensive background and specialization in speed-to-market strategies make him a valuable addition to the Prevost team, ensuring the continued delivery of high-quality, timely construction solutions. We are excited to have Nick on board and look forward to the innovation and expertise he brings to our projects.
